DEFENDANT, DAREX LLC'S

NOTICE OF PENDENCY OF

OTHER ACTION PURSUANT TO CIV. L.R. 3-13

Pursuant to Civil L.R. 3-13, counsel for Defendant Darex LLC ("Darex") identifies the following case in the United States District Court for the Northern District of Illinois:

Thomas A. Simonian vs. Darex, LLC. Case No. 10-cv-01296 ("Illinois Action")

On February 25, 2010, Thomas Simonian ("Simonian") filed the Illinois Action against Darex.

The Illinois Action is a *qui tam* filed by Simonian. In Simonian's complaint, he alleges false marking of Darex products with U.S. Patent No. 4,471,581, arising under the patent laws of the United States, 35 U.S.C. § 292. The patent and products addressed by Simonian are the same patent and products upon which San Francisco Technology Inc. seeks relief for alleged false marking in the present case.

The nature and status of these two actions do not require consolidation under the Multi-District Litigation procedures of 28 U.S.C. § 1407. Rather, as set forth in more detail in Darex's Motion to Dismiss, the earlier-filed action deprives the plaintiff here of standing. As a result, this case should be dismissed.

Respectfully submitted,

Paul A. Stewart Timothy J. Goodson
